

Roscommon Man Acquitted of Murder Charge

Edgar Kalthoff, of Roscommon, was declared not guilty of a 2nd degree murder charge brought against him following a shooting incident May 7, 1981, in South Branch Township.

Circuit Court Judge William Porter granted a direct verdict of acquittal for Kalthoff following a hearing Aug. 30. Benjamin LaBean, 50, of South Branch, died in the shooting incident which occurred at his home. The judge ruled Kalthoff had the right to defend himself.

GHS Homecoming Parade Cancelled

The GHS Homecoming parade scheduled for 4 p.m. Friday has been cancelled because of egg-throwing incidents involving class floats. The parade, which was going to feature an alumni float with football players from powerhouse GHS teams in the past and other local floats, was cancelled by GHS principal Carl Naghtin.

After an egg-throwing incident in which a young person was injured at the site of the junior class float, Naghtin warned the high school students the parade with floats would be cancelled if retaliation occurred. Another egg-throwing incident was reported at the senior class float site involving a small number of students and the parade was cancelled.

The rest of homecoming activities will go on as scheduled this week.

Truck Torched in South Branch Twp.

A pick-up truck owned by Jeffrey Johnson, of Grayling, was torched along a trail off Chase Bridge Road last Tuesday.

Johnson had parked his 1981 Ford pick-up along a riding and hiking trail one mile east of Chase Bridge Rd. (two miles south of M-72 East) about 7:30 a.m. and walked into the woods partridge hunting. He reported the vehicle missing at 9 a.m.

Sheriff deputies discovered the vehicle later still smoking about 1.5 miles ahead of the spot Johnson said he parked it. A rag had been shoved into the gas tank and ignited plus the cab had been doused with flammable liquid. The truck, worth \$4,200, was destroyed.

Anyone in the area Tuesday morning having information should call the sheriff dept.

Nowak To Run As Sticker Candidate

Walt Nowak, incumbent County Commissioner of District No. 5, announced today that he will be a sticker candidate in the Nov. 2, election. Nowak was defeated by 11 votes by Don Welser in the primary election held on Aug. 10.

"The primary election is a very confusing process and has lost some of the seriousness for the voters. I have been urged by the voters of Dist. 5, and other concerned citizens of the county to stand for election, and the only opportunity for me to run as a write-in (sticker) candidate," Nowak said.

Woman's Death Ruled Natural

The death of a Dowagiac woman May 30 along I-75 south of Grayling has been linked to natural causes.

The body of Patricia Eckart, 32, was discovered in her car along the shoulder of I-75 by Grayling City Police. Dr. Paul Dosch, Crawford County coroner, ruled death was caused by heart problems. Grayling Police Chief Pete Stephan said the death ruling was held up pending results of toxicology tests at the state Health Dept. in Lansing.

Sponsoring Expectant Parent Classes

Heart Lake Transfer Alarms C-A Schools

by Jon Thompson

Crawford AuSable School District, concerned a Heart Lake property transfer may lead to a loss of \$100,000 a year in tax revenues, has filed objections to the transfer with the State Board of Education.

A state hearing officer has recommended 29 parcels of land around Heart Lake be transferred from the Crawford AuSable School District to the Gaylord School District. The transfer, if approved by the state board, will mean a loss of about \$10,000 a year in tax revenues. And, Kent Reynolds, C-A Superintendent, said if this transfer is approved, it could open the door for an entire peninsula of land near Heart Lake - worth more than \$100,000 a year in taxes - to be transferred.

A chronology of the Heart Lake transfer:

Thirty-one property owners near Heart Lake filed in 1980 to have 71 parcels of land transferred to Gaylord from Crawford AuSable.

The two intermediate school districts for Gaylord and Crawford AuSable deny the request by a 12-0 vote on Oct. 1, 1980.

Property owners appeal to State Board of Education. A hearing officer upholds decision.

Property owners appeal to Otsego County Circuit Court. Court orders a re-hearing because of irregularities in maps and other supporting documents.

At re-hearing, hearing officer recommends a modified transfer of 29 of the original 71 parcels.

Now the state Board of Education will decide on the transfer and the board has usually followed the recommendations of its hearing officers.

The Crawford AuSable School Board has filed four pages of objections to the transfer and want the board to deny the entire transfer as the intermediate districts originally did.

The Heart Lake property owners want the transfer because they identify more

\$4.5 Million in Building Improvements Planned at Grayling Military Airport

by Jon Thompson

Additions and improvements costing \$4.5 million are planned for 21 buildings at the Grayling military airport.

Major Ed Wilkins, head of engineering at Lansing military headquarters, said the airport improvement plans are among the top three plans on a priority list for Camp Grayling projects.

Existing buildings at the airport will be added to and improved to make seven barracks, 10 mess hall and administrative buildings, two battalion headquarters, and two storage buildings. The barracks will house 100 and 200 men at a time.

Wilkins said the extra building space is needed for troops that train at the airport. Some troops using the airport facilities now must travel seven miles one way to Camp Grayling for housing and mess halls.

Besides the buildings, in a master plan for the airport are athletic fields and courts such as softball fields, tennis, and basketball courts.

Wilkins said it would take one year for construction on the 21 buildings. He said the earliest date for the construction to begin would be October of 1984.

Why American Red Cross?

by Harrison Goodhue

Have you ever wondered why there is an American Red Cross organization in the United States? And what it is supposed to do? And for who? And, why, every year you are pressured with pleas to contribute money to Red Cross so it can carry on it's "Vital Humanitarian Services"?

Why are they "vital"? "Vital" to whom? And what is so unique about Red Cross services that they deserve more generous contributions than other charitable organizations?

For the last several years we have been trying to give the answers to those questions to you folks of Crawford County, and, in the process of doing so, have hoped to convince most of you that Red Cross does

deserve your generous financial support.

It is October once more and the month for the annual Red Cross Fund Drive in Crawford County, so, once more we are going to try to tell you WHY the humanitarian services that American Red Cross, and only American Red Cross provides, ARE vital to maintain the welfare of all of us.

Vikings Meet Rogers City for Homecoming

Grayling will be aiming to please a large homecoming crowd this Friday by chalking up their first win of the season against Rogers City.

Against Petoskey last Friday, yellow flags hurt the Vikings as the Northmen recorded a 21-0 win. Six times during the night Grayling gained 15 yards or more only to have the play called back because of a penalty.

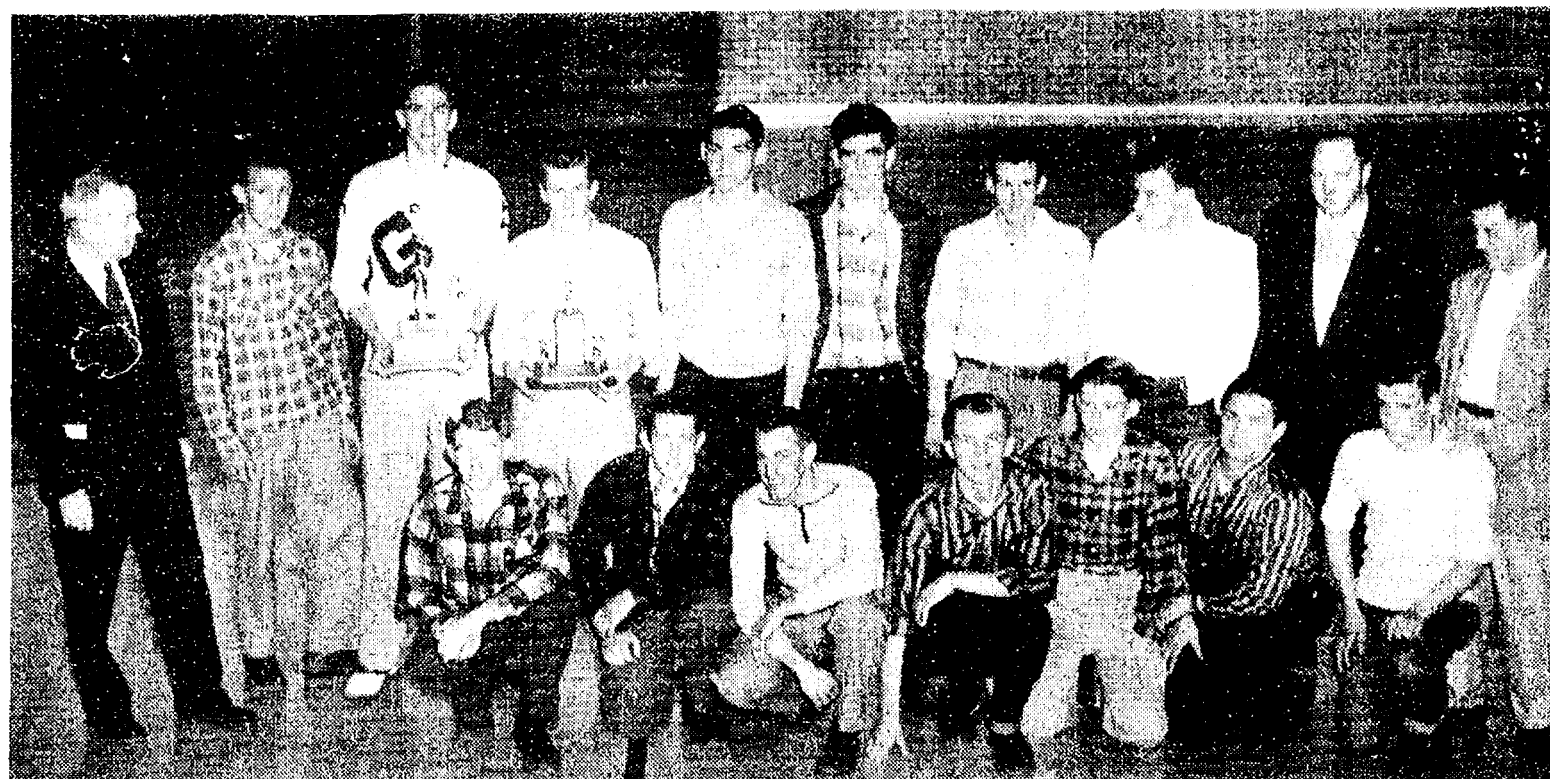

To add to the offensive woes, Grayling dropped three passes on three different scoring drives within

the 10-yard line. It was the second shut-out in a row for Grayling, both by undefeated teams.

Grayling's defense was led by Greg Helsel and Mike Hickey, who both picked off a Petoskey pass. Helsel had 16 tackles and Hickey 11. Senior Jim Hill had 13 tackles from his linebacker spot. Dave Martella and Kevin Wakeley both had 8 tackles.

Offensively, Hill carried 12 times for 56 yards. Jeff Kea gained 46 yards. Grayling's big play was a 40-yard pass from Jim Stewart to Bob Keene.

Taxation Meeting Set for Tuesday

by Jon Thompson

A public hearing concerning increased county revenues will be conducted at 7:30 p.m. Tuesday, Oct. 5th by the Crawford County Board of Commissioners.

An increase of S.E.V. values will bring in about \$124,000 more this year if Crawford County levies the same 7.75 mills as last year. A 1982 truth in taxation law requires government units to inform taxpayers they're collecting more revenues through the increased S.E.V. values.

If government units fail to hold public hearings about the increases, the new law automatically rolls back millage rates to offset the increases. Government units can collect all or part of the increased revenues after holding a public hearing.

Crawford County is proposing taking all the increase and leaving the millage rates the same as last year. The county levied 6.5 mills for operation, a senior citizen millage was .5 mills, and a public transit millage was .75 mills last year.

If the same millages are levied, the county will receive about \$104,000 more, the senior citizen center about \$8,000 more, and public transit about \$12,000 more from the increase of S.E.V. values.

Because of new property on the tax rolls, the county will receive about \$28,000

more than last year even without the increase in S.E.V. values. The senior citizen center will receive about \$2,150 more than last year and public transit about \$3,200 more without the increase in S.E.V. values.

The county has the authority to levy the full millage amounts after the public hearing.

Commissioners Chairman Jeannette Kitchen said at their regular meeting Sept. 23 they're considering using some of the increased revenues for long-needed projects such as insulating the courthouse. Without any insulation currently, the courthouse heating bill exceeds \$20,000 a year.

Although there are

numerous county projects waiting for funds, there is also significant pressure on the commissioners to reduce millage rates.

Commissioner Larry Mattis said he felt the public expects the county to cut the millage after the city lowered their levy by 1/4 mills and the schools reduced their operational levy by 1 mill and reduced their debt retirement by .78 mills. Neighboring Roscommon County also dropped .2 mills off their rate.

The comparisons between Crawford County and the city, schools, and Roscommon Co. are not fair, though, several commissioners said.

Roscommon Co., for instance, would have collected

\$1.4 million more this year through increased S.E.V. values and new property on tax rolls without the reduction. The schools and city also differ greatly from Crawford County's position.

Even so, Commissioner Walk Nowak said the public would still like to see some reduction from the county, even if it was only .1 mill.

After the public hearing, commissioners will likely decide on the millage rates at their regular meeting Oct. 12.

The public hearing will be held at the county building Oct. 5 and representatives from the senior citizen center and public transit will be on hand as well as county officials to answer questions.

Crawford County United Way

October is United Way month. Your Crawford County United Way will conduct it's annual fund drive throughout the month. This year the money you contribute will be used to help fund 32 national, state, and local agencies who provide human services to the residents of Crawford County.

Cong. Davis' Aide Here Oct. 6th

Charles P. Goddeyne, Congressman Davis' district representative will be in Grayling Wednesday, October 6th at the Crawford County Courthouse from 9:30-11:00, Senior Citizen Center for lunch from 11:30-12:30, Lovells Township Hall 2:00 p.m.-3:00 p.m. and the Frederic Township Hall from 3:30 to 4:30 p.m.

2nd Fire Reported at Weyerhaeuser

The Grayling Fire Dept. answered a call to Weyerhaeuser Mill on Four Mile Road Wednesday at 7:06 p.m. The fire occurred during a material flow test in the flake drying system. The fire was localized in the No. 1 dryer where an earlier fire, August 24, 1982, had occurred.

As in the earlier fire, damage was minimal due to activation of the internal deluge and fogging equipment and quick action of mill personnel and the Grayling Fire Dept. The system was reactivated at 8:25 p.m. to drain the water from the large dryer drum and to start drying out the auxiliary equipment.

No production delays are anticipated as a result of the fire. The mill entered a scheduled four-day maintenance period Thursday to perform maintenance that cannot be done while the mill is operating. Some additional changes will be made during this period to mill equipment which will improve consistency in operation and increase productivity.

"We are in a start-up period," stated Tony Moore, General Manager, "and still working the bugs out. Overall, we are very pleased with the progress to date. However, the mill will continue to operate and then take down periods to make adjustments and perform maintenance until we are satisfied with equipment performance and product quality. A controlled test was being conducted on the drying system when this incident occurred. Additional work is being done to analyze the causes and to make appropriate corrections."

GRAYLING WELCOMES 500-MILE RACERS—Debbie Branch, Chamber director, and Sandy Thompson, Grayling mayor, welcomed two of the runners in the 500-mile Say Yes to Michigan race. Dan Brennan, left center, was in second place and Bob Olson, right center, was in third place, as they reached Grayling. The runners were restricted by rules to racing between 5 a.m. and 9 p.m. along the route from Marquette to Detroit. The runners started out averaging 80 miles a day for the first two days but persistent rains helped slow them down as they reached Grayling, more than halfway along the 500-mile race. Park Barner, 38, won the race finishing in six days. The racers would run about 8-minute miles two-thirds of the day alternating race-walking. Brennan said he usually ate during the times he was race-walking and his longest meal took about 12 minutes to consume while on the move.

 with the Gaylord area. Property taxes would also be less in the Gaylord district.

Crawford AuSable objects to the transfer because they say no children who attend public school will be affected. The property owners claim 10 school-age children reside in the area but C-A officials say nine of the children attend Gaylord St. Mary's and will continue to attend the private school. The other property is a foster home where the number of school age children change.

The hearing officer's recommendation further complicates things by suggesting some parcels involving children be transferred while others remain unchanged.

Superintendent Reynolds says if no public school children are affected by the transfer then it would be giving property to a district that already has more tax dollars per pupil than Crawford AuSable. He said more than 1750 students in our district could be affected by the loss of tax dollars.

The state board may hear the transfer case at its November meeting.

Red Cross

(Continued From Page 1)

soldiers in the civil war which was then devastating Italy in its struggle to become a united nation.

The battle lasted only a day, and but a few thousand soldiers were involved on both sides, and it took place in a village called Serafino. When the fighting ended that night the soldiers who could, withdrew, leaving their wounded and dead on the streets of the village, along with the hundreds of maimed and killed civilians who had been caught in their cross fire.

This was the conventional battle practice of this period of history, but Henri Dunant, seeing these critically injured people left to their own devices - most of them to die for lack of medical attention - was horrified!

He literally threw himself into a struggle to help these injured humans survive but his success was even more appalling. Henri Dunant came away from Serafino determined to spend the rest of his life, and if necessary, his fortune, to find a way to overcome this "horror" of the battlefield!

During the next four years he succeeded in convincing sixteen European nations to meet in Geneva, Switzerland to draw up a treaty of "agreements" to succor the innocent victims of war as well as the participating soldiers.

The meeting took place and the "Geneva Conventions" as we know them now were adopted by this group; and a year later, in 1864, the treaty was signed. To honor Henri Dunant - a Swiss - the Swiss flag of a white cross on a red background was reversed and the new organization was named "The League of Red Cross Societies."

The United States was not a part of this treaty. It had not been invited to Geneva.

It was an American woman, a strong-willed and determined female who had scoured the battlefields of our Civil War with wagons loaded with bandages and medicines, and drawn by

teams of mules, to succor the wounded & keep them from dying of their wounds! - a woman by the name of Clara Barton - who got America involved in the Red Cross!

She heard of Dunant's work in Europe after the Civil War ended and went to Europe to see him and get the facts first hand.

Upon her return she began bedeviling Presidents, Vice Presidents, Cabinet Members, Senators, Congressmen, Military Generals and Admirals, to get the U.S. Government to sign the Geneva Conventions.

It took her twelve years, but finally, on May 21st, 1881, Chester Arthur, then President of the U.S., signed the Geneva Convention Treaty and the American Red Cross was born.

That's all she had on May 21st, 1881 - the right to start an American Red Cross in the U.S., to implement the mandates of the League of Red Cross Societies in this Country; and no money to accomplish those mandates!

Shortly after that date a devastating forest fire started in the thumb area of Michigan - near Bad Axe. Tens of thousands of acres of forest and land were burned, hundreds were killed, and thousands of families were homeless and destitute.

Clara Barton came to Michigan to see for herself what had to be done to rescue these victims and performed the first Red Cross Disaster Service!

She obtained lumber, she suborned labor, she built housing, she gathered food and she fed the victims, housed them and clothed them; and she persuaded Doctors and Nurses to join with her in making them well!!

She spent over \$65,000 and raised the funds to pay for her "Disaster Relief" from the general public. Accomplish her mission, she did! And she also established the Disaster Goals of the American Red Cross! But it wasn't until the turn

of the Century that American Red Cross as we know it today was officially chartered by the Congress of the U.S. to:

1. Provide assistance to members of the Armed Forces of the U.S., it's Veterans and their Families, in times of Peace and War, in every area of their need.

2. Provide immediate assistance to the victims of natural or man-made disasters in the U.S., in the form of food, clothing, shelter and medical care.

3. Take appropriate procedures to "mitigate" the physical suffering of the victims of Disaster; preventive procedures if you will.

And, last, but far from least:

4. Raise the money necessary to achieve these mandated services to the American people by contributions from the general public. No Federal, State or Local Tax Funds were to be provided to accomplish these mandated objectives.

That is how the International Society of the Red Cross began and how the American Red Cross came into being.

In the next issue of The Avalanche we will tell you how Red Cross performs it's peculiar, but vital humanitarian services to the members of the Armed Forces of this Nation, their Families and Veterans - SMF&V as it is called within Red Cross - the first and primary mandated Service!

From Our Corner ...

How time flies...we were reminded last week by Clara Sorenson that this will be the 25th reunion for the class of 1957...and what a class, if you consider the basketball season...the Vikings that year went 10-3 for second place in the conferences behind Boyne City 11-2...it was March madness throughout the season, but that took back seat when the state tournaments started...Grayling won the district tourney at home then traveled to Petoskey for the regionals where they sidelined Charlevoix and Gaylord...it was on to Traverse City for the quarterfinals where they defeated Crystal Falls, defending state champs, in double overtime...this advanced the Vikes to the Civic Center in Lansing where they lost to Lakeview in overtime...Lakeview went on and won the Class C state tourney...

Coch Bruce Smith's charges were led in '57 by Bob Strong, 6'6" at center, Dave Lowe and Tony Doremire spearheaded the team at guards and Bill Martin and Don Roberts were the starting forwards...rounding out the squad that traveled to Lansing were...Oscar Horning, Aubrey Welch, Bob Houghton, Ron Case, Don Campbell, Newt Allison, Jim Kessler, Roger Hatfield and Larry LaGrow as manager...

This 25th reunion brings back memories of that year when the gym was packed for every game and fans traveled to all the out of town games...we can remember how the town went bananas when the Vikes beat Crystal Falls, and they nearly closed the town down with the game in Lansing...it was the year of the round ball in Grayling...

We imagine there will be plenty to talk about this at their reunion...

The office received a call last week from Marti Gosling concerning the bird we mentioned in our column recently...she said it sounded like it was a Loggerhead Shrike, similar to the Mockingbird, and is very uncommon...Thank You Marti, now Leo knows what kind of bird he is feeding...

Evidently we didn't make ourself clear in last week's issue of the Avalanche concerning Letters to the Editor...our intent was to give our local people who are running for office in Crawford County a chance to express their reasons for seeking the office...it was not the intention for others to use the letters as a vehicle to promote those seeking State, Congressional or Legislative offices...we feel we receive enough material from those hoping to use the news portion of the Avalanche and then use the electronic media for their advertising...our policy is changed for local office seekers only...it will also be our discretion on the publishing of letters the final two weeks prior to the election on November 2nd...

Have you bought your tickets yet?...you don't want to miss the Grayling Youth Booster Club's annual bash...it's the time the club hopes to have most members present to have a good time for supporting them throughout the year, and at the same time introduce the new officers for the coming year...food, fun and frolic...mark your calendar and get your tickets early for the big night, Saturday, October 9th...tickets are available at Mac's Drug Store, the Avalanche or from any board member...

There is a letter to the editor elsewhere in this issue from John and Alice Campau out Lovells way that there may be a little question as to why it is printed...Mrs. Campau called us a couple weeks ago to see if we could come out and take pictures of a barn raising...we were unable...so the letter explains what happened...this is something in the by-gone days that a group of neighbors helped their fellow man such as this...

Not being a Philadelphia lawyer and not being able to explain Proposals that will appear on the ballot November 2nd, we decided to run all the proposals that we received from the Secretary of State's office so that our readers may be able to digest their contents before they enter the voting booth...the proposals appear on page 15 today...

Time to end the turkey for tonight...goodnight T.J., Stefany and Amber...and to all our readers have a very pleasant weekend...

Mrs. Howard Hatfield is a new employee at the Crawford County Chamber of Commerce working these mornings. Mrs. Hatfield is available as a public stenographer for anyone who would like typing done. She can be reached at home or at the Chamber office.

Mark Day, son of Mr. and Mrs. Howard Day, celebrated his 11th birthday last Friday afternoon, Sept. 25th, with a canoe trip on the AuSable as far as Louis' Landing. Accompanying him were Peter Funck, Howie Madsen, Stanley Morse, Doug Blaine and Richard Stephan. They stopped off at the Drive-In for hamburgers and french fries after the boat trip, and then went to Mark's home for birthday cake and ice cream.

Mrs. Charles Vajda and sons visited Mrs. Kenneth Wyman Thursday afternoon.

Mrs. Larry Balch, Sr., asked in twenty-two children to help her son, Ernie, celebrate his seventh birthday Sunday. Games were played and prizes went to Mike and Becky Nelson, Kathy Clough and Kenny Clough. Cake and ice cream and Kool aid were enjoyed by all. Each guest received a candy basket. Ernie received many nice gifts.

The Marlin Weavers spent the weekend in Buchanan visiting his parents, the Noah Weavers.

Major Harold Clingen-smith and Marlin Weaver left Tuesday to hunt moose in Upper Canada.

Crawford County, lying a few miles north of Central Michigan, bestowed quite an honor on the beautiful grayling trout. For they named their County Site, the largest city therein, Grayling.

It was not by accident that this prosperous city received such a name. The lovely AuSable River flows within the city and at one time teemed with grayling. Fishermen the world over came to this equally famous river, and city, for the purpose of catching this delicate trout sometimes called, "the monarch of the streams."

Many old timers who live in and near Grayling feel that these are a few of the contributing factors for the grayling becoming extinct in Michigan waters.

One: New roads and faster cars made "fishing holes" more accessible, causing more weekend vacationers and a thriving tourist industry.

Two: As these roads improved and more people came up, the art of fly rod angling became a growing sport resulting in trout waters being over-fished.

Three: The Conservation Dept., discovering a diminishing supply of rainbows, stocked too many. It is claimed that the rainbow reproduced faster than the grayling and they also ate the grayling and grayling roe.

Results: The rainbow pushing and the fishermen tugging.

Mr. and Mrs. T.J. Wells and family spent Sunday at Wolverine.

Angus Macaulay and family have moved into the Enos Jennings home.

Mr. and Mrs. Arthur

Clough spent the weekend at Saginaw and Lansing.

Ed Moore, accompanied by Mrs. Emery Craft, visited Mrs. Moore at Toledo over the weekend.

Miss Marian Reynolds is enjoying a two week's vacation from her duties at the Redson & Cooley store.

Mr. and Mrs. Willard Harwood and daughter, Jerry Mae, spent the weekend visiting friends in Detroit.

Mr. and Mrs. Byron Randolph and daughters Joan and Phyllis drove to Vanderbilt Sunday, and visited Mrs. Randolph's parents, Mr. and Mrs. Joseph Leadbeater.

Mr. and Mrs. Matt Bidvia celebrated their third wedding anniversary by inviting a number of their friends to their home Saturday evening. Pinochle was enjoyed. Mrs. Bidvia served a delicious lunch. Mr. and Mrs. Bidvia were presented with a beautiful gift.

In honor of the sixth birthday of her daughter, Eileen, Mrs. Sidney Robarge entertained eight little friends Tuesday afternoon of last week. Games were played during the afternoon, and lunch served, with a birthday cake decorated in pink and green. Eileen received many lovely gifts. Guests included Lucille Wakeley, Beatrice McDaniels, Delores Chappel, Margaret Charron, Dora Lou Broadbent, Mary Ellen Cox, Ruth and Lila Beck, and Elna Mae Jensen.

Jeanette Clough celebrated her sixth birthday anniversary Wednesday, by inviting a number of her little friends to spend the afternoon with her. Games were enjoyed and Jacqueline Harwood won the peanut hunt; Marlyn Gildner was the best singer; and Jeanette was given many nice gifts. Guests were Mary Ellen Cox, Dora Lou Broadbent, Delores Chappel, Jacqueline and Jean Harwood and Lillian and Marlyn Gildner.

Mr. and Mrs. Jerome Kessler are happy over the arrival of a 10½ pound son, Roger Lewis, on Sunday.

Misses Nola Sheehy and Emma Frederickson of the Avalanche office attended the fair at Gaylord this week.

Miss Irene Burton is expected home Thursday from a several months' visit in the southern part of the state.

The new school bell for the new school building on the south side has arrived and will soon be placed into position ready to call the young hopefuls to study.

About twenty-five people invaded the home of Perry Ostrander Wednesday, Sept. 24th, to celebrate Aunt Liggy's 72nd birthday. They enjoyed themselves until midnight ushered in Elmer's birthday, then there were some other doings.

Hardin Sweeney says that he never mentioned that he was the new devil in the Avalanche office. He has been here nearly a month and already knows how to pi forms, run presses, sweep, wash windows, build fires and even set nearly a whole stickful of type backwards so that one would have to use a mirror in order to read it.

The Bible Speaks

From Calvary Baptist Church

Why Most Jews Are Not Saved Today

Romans 10:1-4

Just as the apostle Paul said in the beginning of chapter 9 that he would be willing to be lost for eternity to see the Jews saved, he repeats his burden for them in chapter 10. "Brethren, my heart's desire and prayer to God for Israel is, that they might be saved." Verse 1. Again, do we care for the lost souls of Grayling as Paul cared for his people, the Jews? This great burden was upon the heart of Paul, because the Jews were self-satisfied and had no desire to seek salvation. This is characteristic of most lost people in Grayling today. They do not know they are God's elect with eternal life, and they do not desire to find out. They are self-satisfied in their self-righteousness and sin.

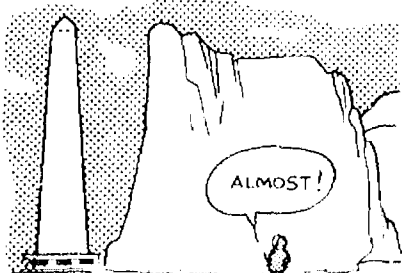

The Jews replaced the truth of God's Word with zeal for their religion. "For I bear them record that they have a zeal of God, but not according to knowledge." Verse 2. In their zeal for their religion, the Jews forgot the importance of knowledge or truth in salvation. Zeal without truth leads to emotional error. Just as the Old Testament Jews claimed to believe and obey the Bible, even so, modern churches usually claim to honor the Bible, but they, like the Jews of old, interpret the Bible in light of their traditions, reason, religious experience and culture. For example, please show me one verse in the Bible which gives either a command or illustration of baby baptism? Please show me one verse in the Bible which says parents have either the responsibility or authority to elect the salvation and faith of their infants by baptism and church membership, before the baby can either know, will or choose? It is no wonder people become angry when the Bible says only God, has the right to elect individuals unto salvation.

Many churches and parents claim the right of God in salvation.

The result of rejecting God's truth or knowledge is ignorance of God's righteousness. "For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God." Verse 3. It is a shame, but most people are wilfully ignorant of spiritual truth in both doctrine and duty. They often know what God is saying in the Bible, but choose to be ignorant of it, and refuse to submit to the authority of God. The Jews had centuries of expert teaching about God's Word before they rejected it. When they decided not to listen to God, they stoned God's prophets who taught them the truth. They even said of the truth personified, our Lord Jesus Christ, "away with Him, crucify Him!"

"For Christ is the end of the law for righteousness to every one that believeth." Romans 10:4. You either have self-righteousness or Christ-righteousness today. You can know by what or who you are trusting. If you must do one thing to be saved for eternity, you are lost. If you believe and accept the Lord Jesus Christ as your substitute who died for your sins, arose to give you eternal life and ever lives to make provision for all your spiritual needs, you are saved. (adv.)

BOWHUNTING CONTEST

My dad & I finally own a Sports Shop & this is our first real opportunity to share our deer hunting spirit with other hunters.
We're sponsoring a Bowhunting Contest with some pretty nice prizes for those bowhunters that are successful this season. Yet the purpose of this contest isn't to draw bowhunters into buying a ticket for the prizes. It's designed to help feed the deer this winter on state land so there can be many good bow seasons to come.
Each autumn, thousands of hunters spend thousands of dollars trying to bag the elusive whitetail. Then in winter, hunters simply return home to an easy chair & warm fire, leaving the whitetail to match its wit against deep snow & sub zero temperatures. It's just not right.
This season, the Old AuSable Sports Shop would be proud to sell you a one dollar ticket to our Bowhunters Contest. We're open everyday in downtown Grayling.

RSVP Reports

by Sherry Haag
Director

Welcome to news of the Retired Senior Volunteer Program. In past weeks I've discussed the advantages for seniors who keep busy, both mentally and physically. Continuing in this vein I thought I'd start giving you examples in the community of RSVP members and stations where keeping busy is a way of life.

During the summer months RSVP volunteers serve at the Crawford County Historical Society Museum. Approximately 25 volunteers in 2 shifts a day are present at the museum. Volunteers greet guests, answer questions (or in cases where they are not sure of an answer will call someone who does know) show visitors displays and exhibits. Long time residents as well as newcomers to the area tell me how much they enjoy the museum. It gives them a change to - in the case of long time residents - share their knowledge and experience and newcomers learn about the community from the information at the museum. Everyone gains, visitors to the community learn about it - volunteers enjoy sharing their knowledge - and the community benefits from the friendly smiling - impression made on visitors.

Hartwick Pines is another community organization where volunteers provide many hours of service. Approximately 20 volunteers serve almost 1000 hours from May thru the middle of October. 7 days a week - 5-6 hours per day a volunteer will be behind the counter at the Natural History's Associations Book Nook. Most of the time selling books but a big portion of time is spent greeting visitors, and answering questions about the local community. Volunteers have expressed to me how much they enjoy the work not just because it's something to do but because it's useful work and they learn something from each person they meet.

Thousands of people each year learn about Crawford County by seeing the smiling - helpful RSVP volunteer. I am continually amazed how volunteers dedicate themselves to stations and projects. That's what RSVP is all about. Learning - growing - changing - keeping busy and staying healthy. If you'd like more information or know of someone who might be interested in RSVP give us a call at 348-4341 - 348-3322.

At present volunteers are needed at the High School Library. Duties to be cataloging and inventoring books. Day Care and Co-Op Nursery need volunteers to help with small children. Day Care is with 6 mo.-2 1/2 years. Co-Op Nursery is for 3-5 year olds working with a teacher for some learning programs. 4-H and Chamber of Commerce offices need volunteers. Duties answer phone take messages etc. If you'd be interested in any of the above assignments call: 348-4341 - 348-3322.

Sweet Adelines

I get by with a little help from my friends, you have heard these words in a song. The Mid Mitten Chapter of Sweet Adelines had a little help from a friend, Linda Liddicoat, little in stature but big on talent. Linda is the director of the East Pointe Chapter, the 1982 champs of Region No. 2. She is a former member of the Basically Four Quartet who were voted "Queens of Harmony". This 98 lbs. of (Dy-n-o-mite) put us through our paces like a drill sergeant. Posture, smiles,

breathing, vowels, I, as a chorus member, learned a great deal for this gal. Our thanks to Linda for coming up north to coach us.

The Roscommon County Fair was a big success, we really enjoyed entertaining at the opening ceremonies, and are looking forward to Fair time next year.

Gal's, want to get out of the house and have some fun? Come join us at the United Methodist Church at Houghton Lake any Tuesday evening at 7:30.

Yours in harmony
Connie Meyer

Girls Start MHSC League BB Games

The GHS varsity girls basketball squad, following a rough non-conference opening schedule, start Michigan Huron Shores league play this week.

On Tuesday the girls traveled to Petoskey and Thursday they take on Boyne City at home.

Grayling is looking forward to starting over with a clean slate in league play following an 0-5 start in non-conference games. The girls

dropped a 47-32 decision to Roscommon and a 49-36 game to Oscoda.

Against Roscommon, 47 turnovers in the game ruined Grayling's chances for a victory. In the second half, the Vikings pulled within six points but 27 turnovers in the half spoiled their opportunities. The Vikings also shot 2-12 from the free throw line.

Heidi Bendig scored 8 for Grayling, Stacey Wolcott 6, Celina Eshenroder 5, Kris Laudenslager 5, Shelly Trenary 4, Dawn Weatherly 2, and Karyn Reynolds 2. Sandi Mires, the daughter of GHS instructor Chuck Mires, led the Roscommon team with 22 points.

The Vikings fell behind 32-9 after one half against Oscoda but came roaring back behind Bendig and Reynolds to outscore the class B visitors 27-17 in the second half. Head coach Tom Mills said Bendig and Reynolds did a fine job rebounding as well as scoring.

Bendig wound up with 14 points, Reynolds 8, Laudenslager 6, Wolcott 3, and Jenny Riker 3.

The Grayling J.V. squad ran their record to 5-0. The girls, coached by Dan Ullery, beat Roscommon 30-28 and nipped Oscoda 39-38 in another close one. They also open their league play this week against Petoskey and Boyne City.

Shut That Door

An energy study conducted by two architectural researchers has found that living habits—as much as construction features—accounts for significant differences in home energy consumption. The study found that a family's lifestyle was the largest single contributing factor to their energy use, not insulation or other factors.

BEGIN CONFERENCE PLAY—The Grayling girls basketball team fires up before their home game against Oscoda. The Vikings opened Michigan Huron Shores league play this week against Petoskey and Boyne City. At right is head coach Tom Mills, in his first season as girls varsity coach.

Bits O'Talk

by Fay Bovee

Guests of Nick and Evelyn Shuraleff for a week were their son and family, Dr. Nicholas Shuraleff, his wife, Mary, 3-year-old Nicholas III, and their new baby daughter, 8-month-old Kim. While they were here, their friends gathered at the home of Ed and Velma Loddell for a potluck on Wednesday evening and a baby shower for Kim.

The Sportsman's Club Sunflower seeds are now available at C.F. Flick and Sons.

Don and Betty Gravelyn took their daughter, Shirley, to Grand Rapids the weekend of Sept. 18 and spent the weekend with Don's brother, Harry Gravelyn. Shirley will be living with the Harry Gravelyns while attending college.

Weekend guests in Grayling for the Church-Palmer wedding were Gary Church of Port Huron, Clem and Aileen BeMent of Thornton, Colorado, Brian and Carleen

Dane and children of Grand Rapids, Frank and Karen Cook and children and Gerry Lowrie, of Lansing.

The Antique Club were guests of the Jim Garlos in Roscommon on Wednesday evening.

Senior Citizen Satellite dinner for Frederic and Maple Forest this Friday, October 1st, at the Sportsman Club. 12:30 blood pressure and after dinner. We eat at 1 p.m. on the menu is Salisbury steak. Paul Smith of the Sheriff Dept. will be there to show us film on "How To Protect Yourself Against Assault, Burglary and Robbery". Each film is for 20 minutes and in color. I think they should be very interesting to each and everyone of us. Please call Vi Middleton at 348-8364 or Center 348-9314 if you're planning to come to dinner. Hope to see you there.

Happy Birthday to Margaret Barnes Oct. 3, Otto Mehlhorn Oct. 5 and to Jennie Jungman and Mary Skinner the 7th.

A lovely time was had at the Masonic party for the Handicap, 80 to 100. Given by the Eastern Star ladies. 66 for dinner, 10 lovely ladies doing the honor, the meal was very good and a grand time, visiting everyone seeing old friends, dancing and listening to Polka Music provided by Barb Selesky, 17 from Timberview Village and Manor and 4 helpers. Our appreciation to you ladies.

Sportsman Club will be meeting Thursday, Sept. 30 at 7 p.m. Hope to see you there.

Frederic Fire Dept. reports no fires and 3 ambulance runs. If weather permitting Frederic Fire Dept. picnic and the St. Jude Bike-a-Thon 1 p.m. Frederic Township Park. Don't forget your sponsor sheet. More information call 348-5585 or 348-8366.

Missionary Conference at the First Baptist Church Sept. 30 to Oct. 3, Sept. 30, Oct. 1 and 2 at 7 p.m. and Oct. 3, 11 a.m. and 7 p.m. Visiting the Philippines, Puerto Rico, Argentina, Costa Rica and to Africa.

Daniel Band for youth will be starting October 19 on Tuesday, 8 years and older.

Vi Middleton was in Saginaw to visit her son Tom and family and got to hold young Tom, he's been doing so well he can be expected to go home soon.

Yours truly had a nice surprise when she went for her tags and driver license from son-in-law and daughter Ann and family with a card of gift of payment. And then coming home Friday night after work at 11 p.m. when I walk into a dark house lights came on, balloons, streamers and everyone sitting at the table, surprise! even to the youngest grandchildren. The folks Mr. and Mrs. Walter Desnoyers, Jim and Brenda with their two girls, Ann and Tom, Brian and Judy and two sons. Calls from the others. And the Saturday morning three of my fellow workers surprised me with a cake and ice cream and many lovely and gag gifts. Arlene Musakka, Nancy Schornack and Doreen Dale. Appreciate you lovely people.

Proposal Released to Ease Unemployment Debt

Warren M. Hoyt, Executive Director, MPA

The Milliken administration recently released its proposal to ease if not erase the massive unemployment compensation debt owed by Michigan to the federal government.

Because of the state's prolonged unemployment problems, the state has run up a debt that is expected to top \$2 billion by the end of the year.

The proposal would raise \$3.7 billion from employers and employees over the next four years as it erases the interest-bearing portion of the massive debt to the federal system.

Although imposing additional costs on businesses and limiting benefits to workers as part of the plan to retire the debt, the proposals, do not require general fund participation or call for imposition of a waiting week to collect benefits.

Business and labor groups have been briefed on the proposals, but have decided to withhold comment until further study.

A group of businesses, however, including Kellogg's of Battle Creek which had its own proposal, expressed pleasure that the changes reinforce experience rating.

Michigan Employment Security Commission Director S. Martin Taylor said there at least was agreement that the problem will have to be addressed since the debt will have to be repaid one way or another.

In a letter to the Legislature, Governor William G. Milliken said, "This situation must be brought under control immediately or it will widen to the extent it becomes a suffocating burden on the Michigan business and job climate, permanently crippling the state's economy."

Adies for the governor said they hope for action on the package after the November general election, noting if nothing is done, the debt will balloon to \$3.8 billion by 1985.

Milliken said he is not specifically endorsing all the recommendations, which were drawn up by Taylor, Labor Director William Long and Commerce Director Norton Berman, but noted they are reasonable proposals to deal with the current crisis.

Taylor said even though the proposals would enable the state to repay by 1986 the \$1.3 billion that will have to be borrowed which is subject to a 10 percent interest rate, at that time it is expected to still be faced with a carry-over debt of \$843 million.

The proposals envision collecting more revenues than are paid in benefits by 1984 and would qualify for a federal limit of .9 percent penalty on employers (a .3 percent penalty is added each year a debt remains outstanding).

Over the four-year period, \$2.3 billion would be collected from employers and \$1.4 billion from employees or because of employee sacrifices.

Taylor said that is a somewhat arbitrary division and although some have recommended a 50-50 division, he said officials believe the historically employer supported system should remain primarily on that basis.

The proposals for employees include raising the taxable wage base from \$6,000 to \$8,000 in 1983 and then another \$1,000 each year until 1988, imposing a 2 percent solvency tax, effective as long as the system incurs a debt from the federal system; and phasing-out a limit on the increased tax rate on a business as the number of laid off workers increases by raising the limit to 1 percent in 1983, 2 percent in 1984 and then eliminating it in 1985.

The proposals affecting employees include freezing maximum benefits at \$197 a week until 1986, cutting benefits for those below the maximum, setting benefits at 65 percent of after tax earnings, rather than 70 percent; restricting eligibility for benefits by raising to 20 weeks from 18 the work period requiring before benefits can be collected; and raising to about \$100 a week, from \$67, the earnings required to be eligible and imposing, as long as the system remains in debt, an assessment against all employees of .5 percent of their earnings, raising about \$515 million.

Air Force To Present An Aviation Experience

AN AVIATION EXPERIENCE—Specators visiting the Air Force's "Pioneers of Flight" multi-range presentation at Grayling High School Thursday, October 14th from 10:00 a.m. to 3:00 p.m., will see a fast-paced, five-screen slide program. The show traces the progress of aviation from the beginning of powered flight through the space age. It features key aviation pioneers who describe their experience with flight. (U.S. Air Force photo)

The U.S. Air Force Orientation Group will present a fast paced multi-image story of aviation entitled "Pioneers of Flight" at Grayling High School, Thursday, October 14th. The program will be shown in a 40-seat mobile theater from 10 a.m. to 3 p.m.

The 25-minute presentation highlights the progress of American aviation from the beginning of powered flight through today's space age and provides a preview of aerospace plans for tomorrow. The story is told by using exploits of key aviation pioneers, with their voices adding a special dimension to the program. Viewers will see and hear

Jimmy Doolittle describe his record setting experiences and the 1942 Tokyo air raid. Jackie Cochran, the first woman pilot to fly faster than the speed of sound, tells of her commitment to flight and the place women have made for themselves in aviation. Astronaut Charles Duke describes his sensations when he walked on the moon. The show concludes with a brief reference to Air Force people and job opportunities in the Air Force.

Artwork, photographs and an original musical sound track provide visitors an aviation experience. Fifteen programmed slide projectors, five screens and a stereo sound system are used for the presentation.

Grayling High School, in cooperation with the Air Force, will sponsor the show.

Showers Held

Three bridal showers were held for Susan Hubbell during the month of August. On August 7, she was the guest of honor at a shower given by her sister, Janet Hatfield, and her sister-in-law, Mary Hubbell. On August 11, she was honored by a shower given by Beverly Lowrie and Ernestine Church, aunts of the groom. On August 18, the groom's aunt, Carol Stephan and mother, Gloria Stephan, were hostesses for a shower. Susan received many lovely and useful gifts.

Out-of-town guests were from Allen, Lake Odessa, Gaylord and Indianapolis, Indiana. Susan became the bride of Herb Stephan on Saturday, Sept. 18, 1982.

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

During a recent weekend while I was going around the campground making certain the campers knew of the evening program, a lady asked me to identify a bit of foliage from a conifer. The needles were from a Tamarack which is also known as the American Larch and Hackmatack. This is the only native conifer having needles (leaves?) arranged in clusters on short lateral spurlike branches. This is the only native conifer to shed all its needles (leaves?) in the fall, turning to yellow in late September or early October. The cones, which mature the first fall and persist on the branches through the winter, are only 1/2 to 3/4 of an inch long and stand nearly erect on the branches. The Tamarack is a tree of the north, growing as far as the limit of tree growth will allow. In the southern portion of its range, it is found in cold swamps and sphagnum bogs. While it may reach 60 feet in height and up to 2 feet in diameter over the mid-part of its range, most specimens we see are considerably smaller. It grows rather rapidly in its youth but is intolerant of shade and very likely to be suppressed in competition with other trees. The wood of the Tamarack is not used much anymore but is heavy, strong and durable in contact with the soil, so it has served as telephone poles, fence posts, railroad ties, and in ship building. The Tamarack ranges from Labrador to Alaska, south to Minnesota and throughout the Great Lakes region to northern Pennsylvania and western Maryland.

Local Gal Graduates With Engineering Degree

"Why did I choose field engineering instead of an office job?" According to Judy Konvicka Macdonald, Grayling High School graduate of 1975, "I think it's just the most incredible career."

Judy, the daughter of Lewis and Laura Konvicka, is a graduate of L. Superior State College, Sault Ste. Marie. She was featured in a full page General Electric ad in Graduating Engineer Magazine, February 1982. According to the article, she states that she "is applying everything I learned at Lake Superior State, and in General Electric's Field Engineering program...and I'm learning more every day. I like people and interfacing with customers. The large steam turbine generators I'm installing are awesome. And certainly at this stage of my life, I thoroughly enjoy travel and a spontaneous, non-routine lifestyle."

I joined GE's Installation & Service Engineering Division about 2 years ago, and I'm holding my own in what used to be a man's world. I've learned to troubleshoot and set up electronic controls...balance turbines...analyze vibrations. I'm developing business and managerial skills so I'm more effective in dealing with customers, contractors, architects and craft labor personnel."

Judy is married to Jon Macdonald, a pre-law student at L.S.S.C. and she resides in St. Louis, Missouri. She has been with GE for 3 years and at the present time is in Effingham, Illinois, where she has been helping set up a 540 megawatt turbine.

Lovells Club To Meet

Mr. Wallace is an expert on birds. The public is invited to attend.

New of Good Things Growing

by Margaret G. McCall

With the many good things growing in Michigan, and being harvested right now, some excellent food buys are available at your stores and markets, including Michigan grown potatoes.

Our state's growers annually harvest almost one billion pounds of potatoes, eleventh largest crop in the nation, according to the Michigan Dept. of Agriculture.

Four major varieties are grown here: Russet Burbanks (please don't call them Idahoes!), excellent for baking and French frying; round whites, the most popular potato in the midwest for creaming, frying and use in salads; and long whites and round reds, good all-purpose potatoes. "New" potatoes are not a new variety, simply a round white type shipped directly from field to market. Thinner skins and more moisture content, for shorter cooking time, make this variety unique.

Potatoes are rich in vitamin C and B-1, niacin and iron, and low in sodium. The great news for dieters is that one medium-sized baked potato contains only 90 calories - about the same as one medium apple or pear.

When preparing potatoes, cook with their jackets on in as little water as possible. If peeling, use a vegetable parer, keeping the peelings as thin as possible. Many of the potato's nutrients are found close to the skin.

If you'd like to take advantage of harvest prices, and plan to buy a quantity to store, temperatures of 45 to 50 degrees in a dry dark place that's well ventilated will keep potatoes for several weeks.

To Present Gospel Music at Kirtland Oct. 10th

Danny Gaither, one of gospel music's best known personalities, will perform in the Kirtland Community College Auditorium on Sunday, October 10, 1982 at 3:00 p.m.

Danny Gaither began singing at the age of three and has been traveling and singing for most of his life. For 7 years, he was the singing lead with the Bill Gaither Trio. The Trio received the Dove Award as the best mixed group and "Because He Lives" was (Gospel Music Association) "Song of the Year." The group also received a Grammy award for the album, "Let's Just Praise the Lord" and for "Jesus We Just Want to Thank You."

Gaither left the Trio in 1977 and now travels throughout the U.S. and Canada as a soloist with this band, which includes his son. His voice has been described as

unique, strong and mellow. Complimenting his voice are the members of his band: Dave Redman on Keyboards & back-up vocal, and Randy Melson on drums. The combined talents of Danny and his musicians make for an exciting and uplifting evening. Danny's sincerity and positive approach to life is shared with his audiences in a happy communion. Come join us for this very special concert!

Tickets for the Danny Gaither concert are \$4, and \$3 for Senior Citizens and Students. They may be purchased at: The Dressmaker's in Mio; West Branch Gould Rexall Drug; Al's Shirt Shop in Grayling; Roscommon Hardware and Gifts; and at the Kirtland Community College Bookstore. Tickets may also be purchased at the door.

For further information or for group reservations, call the college at 517-275-5121.

Masons To Meet

There will be a regular communication of Grayling Lodge No. 356, F&AM on Thursday evening, October 7th at 7:30. An election for "The Mason of the Year" will be held and all members of this lodge should attend to exercise their voting rights on this issue.

After Lodge there will be a short Masonic educational program, with coffee and etc. in the dining room.

There will not be a dinner for this night.

Bring another Brother, and plan to attend.

Completes AF Training

Airman John J. Roed, son of Janet J. Roed of 6630 Manistee St., Frederic, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

He is a 1982 graduate of Grayling High School.

His brother, Carl A. Roed, resides at 507 Elm St., Grayling.

Harvest Dinner at MM Church

The Michelson Memorial United Methodist Church is having its Annual Harvest Dinner, Thursday, October 7, 1982. The dinner will be served from 5:00 to 7:00 p.m. Take out orders may be picked up, starting at 4:30 p.m. The dinner is served family style, including Turkey, dressing, potatoes, gravy, squash, beets, coleslaw, rolls and your choice of either homemade apple or pumpkin pie, with your beverage of coffee, tea or milk for just the low price of \$4.00 - adults, \$2.00 for children 12 and under, under 5 years old - free, or a family plan for \$15.00.

This dinner is open to everyone in the community, so please come and share in good food and fellowship. Call the church office, no later than Wednesday, September 29th for your reservations. (348-2974 or 348-2975).

Epilepsy Assn. To Meet

The North Central Epilepsy Association will meet on October 4th at St. Andrews Episcopal Church in Gaylord. St. Andrews is located on East Main Street.

For further information contact Sister Catherine Anderson at 517-732-5187.

Responsibilities of Citizenship

These are critical days for the American People and indeed for people the world around. In fact they may prove to be days of destiny for the whole human family. Because this is true, we in America are face to face with imperative alternatives that must be decided. The choices we make in our Republic will cause repercussions in legislative halls around the world.

That is why election 1982 may be one of the most critical in the history of this Republic. The World situation as well as domestic policy imposes a heavy burden on the American people.

Our greatest need today is for Statesmen who are aware of the movements in human society. Representatives and Senators who see beyond the narrow confines of unilateralism. In these changing times we need men and women in Washington who recognize with Victor Hugo: "Stronger than an army with banner is an idea whose day has come." That in the long run our strongest defense is in making Democracy work for the benefit of all the people instead of a chosen few. We must understand that the greatness of a nation is not measured in wealth or power but in the happiness and welfare of the people. We need men and women in Washington who will always remember the first words in the preamble of our constitution We The People.

Along with concern for We The People we need representatives who are aware we are living in the dawning days of a New Era. A day of interdependence and interrelationship and that strategies and policies must be tailored to fit that situation.

The choices made in our legislative halls and in those the world around will determine the character of civilization we impose on our posterity.

Think well before you cast your vote Nov. 2, 1982
Yours for a greater America

Sibs for Kids Picnic at Hanson Hills

Eighteen persons attended the first get-together for Sibs for Kids. It was held at Hanson Hills Park, in September. Even though the weather was a little cool a good time was had by all, hiking, playing basketball, Air hockey, ping-pong, pool and table games.

The picnic at noon was delicious, with Hot dogs grilled outdoors, Baked Beans, Potato Salad, chips, fresh vegetables, jello, cake, and brownies, and we had enough to invite the Hanson Hills staff to join us.

There were 4 Big Brother/Big Sister matches at the picnic one unmatched "Big" Sister and 5 unmatched "little" Brothers who are looking forward to being matched soon.

Won't you consider if you have some time to spend with a young person? It will make a big difference in your life & theirs! Call today 348-2841 ext. 262 or stop by the office on West M-72.

Completes Naval Training

Navy Seaman Recruit Jerry J. Norman, son of Eldon D. and Jackie Norman of Grayling, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid.

To Celebrate 50th Anniversary

In honor of the 50th Wedding Anniversary of John and Frances Fick an open house will be held from Noon until 2 p.m. on Sunday, October 3rd at Michelson Memorial United Methodist Church.

John and the former Frances Begole were married in Swartz Creek, Michigan on November 24, 1932. They lived and farmed there for forty years. They have lived in Grayling Mobile Estates for the past ten years, and winter in Bradenton, Florida.

They have one daughter, Mrs. Shirley Hinterman of Owosso and two sons, Jack of Swartz Creek and Chuck of Grayling. There are fourteen grandchildren and six great grandchildren.

Everyone is welcome to attend the open house. No presents please, just the honor of your presence.

Notice of Public Hearing on Increasing Property Taxes

The Board of Commissioners of the County of Crawford will hold a public hearing on a proposed increase of .579 mills in the operating tax millage rate to be levied in 1982.

The hearing will be held on Tuesday, October 5 at 7:30 P.M., at the Crawford County Building, Grayling, Michigan.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 8.074% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

This notice is published by: County of Crawford, County Building, Grayling, Michigan 49738, 517-348-2841.

STATE DRIVING AWARD—Pictured above are Bill Worden, Maintenance Supervisor/Driver instructor (left) and John Rasmussen II, who placed sixth at the Michigan Small Bus Rodeo held in Lansing on September 14. As a representative for Crawford County Public Transit, John was in competition with every small bus system in the state of Michigan and was the best overall operator in Northern Michigan. A written test, check out of the vehicle, and driving course test were judged by members of the Michigan State Police, City of Lansing, County Sheriff Dept., Campus Police, and members of the Dept. of Transportation. To make the competition even greater, the Michigan Dept. of Transportation used a large, dual-wheeled vehicle, that was unfamiliar to small bus system operators, in the actual driving course. CCPT Manager Chet Johnston said "We are very proud of John and what he accomplished for Crawford County in this competitive and trying circumstance, involving every aspect of driving, safety and judgement."

Fight Reye's Syndrome Bowl-A-Thon Earlier this Year

In a few short weeks, our 4-H Bowlers will be coming door-to-door asking for Sponsors for their efforts in the 3rd annual Fight Reye's Syndrome Bowl-A-Thon. Many of you will be wondering why so early this year? Since all of this involves our children we have decided that it would be in their interest to have our activities during better conditions. As we all know February is usually when we have done our Bowl-A-Thon. At that time our roads are icy and the weather is very inclement for our little ones to be out. So, we have decided to change things to the beginning of the Bowling season.

In 1979, we had 3 cases of Reye's Syndrome, resulting in one death of a 10 year old girl in our elementary school. Since that time our Community has been very fortunate in regards to RS. But sadly, it still hits other parts of our State and Nation. Some of these children recover completely, some have serious after effects, and worse; some we lose. Because of efforts such as our Grayling Bowl-A-Thon, we have raised money that has been used for the education of Parents and Medical Personnel throughout our State. Also the money has been used to purchase special Hospital equipment needed in treating RS patients, and to fund research efforts in our battle against RS.

We realize that this is a very bad time to ask for money, especially since the economy of our State is in such bad shape. But please keep in mind that if all of us in Crawford County would give just 25 cents each, it would add up to an unbelievable amount in fighting RS. So, please try to sponsor a child when they come to your door, and if not possible, remember any donation will be greatly appreciated and used to help us to help our children.

RESOLUTION

Grayling, Michigan

A regular meeting of the Crawford County Board of Commissioners was held at Grayling in said county on the 14th day of September, 1982, at 9:30 o'clock, a.m.

The meeting was called to order by Jeannette Kitchen, Chairperson.
Present: Kitchen, Miller, Bidvia, Harland, Nowak, Neilson, and Mattis.
Absent: None

The following resolution was offered by Commissioner Harland and supported by Commissioner Nowak;

WHEREAS, Act 5, Public Acts of Michigan, 1982, provides that without specific action taken by the Board of Commissioners, the Board shall not levy ad valorem property taxes for operating purposes for the ensuing fiscal year which yields an amount more than the sum of the taxes levied at the base tax rate on additions within the County of Crawford for the ensuing fiscal year plus an amount equal to the taxes levied for operating purposes for the concluding fiscal year on existing property; and

WHEREAS, said Act 5 provides that the Board of Commissioners may approve the levy of an additional millage rate, within its present authorized or proposed millage rate, only after providing certain notice to the public and holding a public hearing for the purpose of receiving testimony and discussing the levy of an additional millage rate for the ensuing fiscal year; and

WHEREAS, this Board of Commissioners has been advised by the County Equalization Director that the state equalized valuation for the 1982 tax year of property located within Crawford County is \$15,693,882; and

WHEREAS, Act 5, based upon the state equalized valuation of the County of Crawford, would limit the county's operating tax levy to 7.171 mills; and

WHEREAS, this Board of Commissioners, after careful examination of its estimated operating expenses for the 1983 fiscal year & estimated revenues based on state equalized valuation, has determined that the best interests of the county require the levy of the additional millage rate of .579 mills to provide sufficient revenue for the county for operating purposes for the ensuing fiscal year;

NOW THEREFORE, BE IT RESOLVED THAT:
1. This Board of Commissioners, pursuant to said Act 5, proposes a tentative levy of not to exceed 7.75 mills for operating purposes in 1982, which includes an additional millage rate of .579 mills.

2. A public hearing shall be held on October 5, 1982, at 7:30 o'clock p.m. at Crawford County Building for the purpose of receiving testimony and discussing the levy of an additional millage rate for the 1983 fiscal year.

3. The Clerk of the Board of Commissioners is hereby authorized and directed to publish notice of such public hearing, said notice to be substantially in the form of attached Exhibit A, in a newspaper of general circulation within the county. The notice shall be published not less than six (6) days before the public hearing and shall comply with all requirements of said Act 5.

4. The Clerk of the Board of Commissioners is hereby authorized and directed to send timely written notice of the time, date, and place of the public hearing to all newspapers of general circulation within the county.

5. The Clerk of the Board of Commissioners shall post notice of the public hearing in compliance with the Michigan Open Meetings Act.

July 2, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioner Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner. Absent: Commissioner Kraus.

The minutes of the previous meeting of June 18, 1982 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Chairman Cason. All voted in favor, minutes approved.

Payroll Voucher Number 13 in the amount of \$17,666.19, Special Payroll for \$521.40 and Materials Vouchers Numbers 346 through 350 in the amount of \$56,743.93 were presented to the Board for payment. Chairman Cason made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers approved and signed.

Doug Dosson, Attorney, appeared before the Board to discuss progress on several legal matters, and with the Boards permission, to withdraw from one pending case. After review, the Board agreed with Mr. Dosson's proposal.

Bernie Fowler, Grayling Township Supervisor, met with the Board regarding local construction costs.

Commissioner Parker made a motion that: We, the Board of County Road Commissioners of Crawford County, do hereby request reimbursement in the amount of \$10,000.00 (not to exceed \$10,000.00) for payments made during the period of July 1, 1981 - June 30, 1982 to registered engineers employed or retained by this Commission, in accordance with the following:

Section, 12 (2) of Act 51, as amended.
"Each county road commission shall be reimbursed in an amount of up to \$10,000.00 per year for the sum paid to a registered professional engineer employed or retained by the county road commission in the previous year. The sum shall be returned to each county road commission certified by the State Transportation Department as complying with this subsection regarding the employment of an engineer."

We further state that the amount requested can be verified in the account records of this Road Commission. The motion was seconded by Chairman Cason. All voted in favor, the Motion carried.

Engineer-Manager Keir presented a quote from Clark Company for centerline painting. The Board instructed Mr. Keir to accept the quote.

Debbie Branch from the Grayling Chamber of Commerce appeared before the Board about county map supplies.

Engineer-Manager Keir submitted a list of surplus equipment to the Board. The Board instructed him to advertise for bids.

A discussion was held on the need for an updated appraisal of building and contents, since the original had been performed in 1971. Estimates are to be obtained for this service.

A special meeting set for 10:00 a.m. Thursday, July 8, 1982 with the full Board.

An agreement between the Board of Crawford County Road Commissioners and the Michigan Department of Transportation concurring that the Contract for projects CSR 20-54 (North Down River Road) and CSR 20-82 (County Road 612) be awarded to Central Paving Company was reviewed.

Commissioner Parker made a motion that Commissioner Cason and Commissioner Parker be authorized to sign said Agreement on behalf of the Crawford County Road Commission. Seconded by Commissioner Cason.

Frederic Woman Featured in Woman's Magazine

Praised for determination and strong faith, Evelyn Brown, of Frederic, was featured once again in the national magazine "Woman's Circle."

She first appeared in the homemakers publication in 1979 for her enthusiastic quest to make and sell enough quilts to help build a church in Frederic. The article aided Brown in her efforts as many people wrote her ordering quilts.

The second article, printed in August of 1982, tells how Brown fought back from several setbacks.

At the height of her success with making quilts for the church she suffered an oral hemorrhage and had to be rushed to Traverse City for treatment. Brown said she was bleeding so much she couldn't even talk or say prayers. She said they had little hope for her. The bleeding finally stopped, but not before she lost enough blood to send her into a state of shock. Her kidneys failed next and she had to be hooked to a kidney machine.

After months on the kidney machine, her kidneys started functioning again. She was sent to a nursing home to gain strength but misfortune struck once more - she fell and broke her leg at the nursing home.

She's finally back home now, though with a walker, and she's back to sewing again overcoming an injury to her wrist when she broke her leg. Besides her strong faith, she thanks her husband, Raymond, and her friends for helping her through her ordeal. Raymond drove more than 100 miles a day to visit Evelyn daily when she was at Traverse City and the nursing home.

Frederic Fire Dept. Holding Bike-A-Thon

On Saturday, Oct. 2nd, the Frederic Township Volunteer Fire Dept. is holding a Bike-A-Thon to help St. Jude Children's Research Hospital save children's lives.

Riders are needed for the Bike-A-Thon to raise funds for the world famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

In the Bike-A-Thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 or more will receive a St. Jude T-Shirt and those raising \$75 will receive a barrel tote bag. Riders can pick up sponsor forms at: Newberry's General Store, Leng's Garage, Frederic Elementary School, Grayling Middle School, Grayling High School, or call 348-5585 or 348-8366.

Riders will register and start at 1 p.m. at the Frederic Township Park, go north to Cameron Bridge Rd., west to Kolka Creek Rd., south to County Road 612 and then east back to the Park. Each lap is 2 miles long and riders may go around as many times as they want.

When they register, riders will receive a wrist bracelet to wear during the ride and they will probably wear them while they collect the pledges.

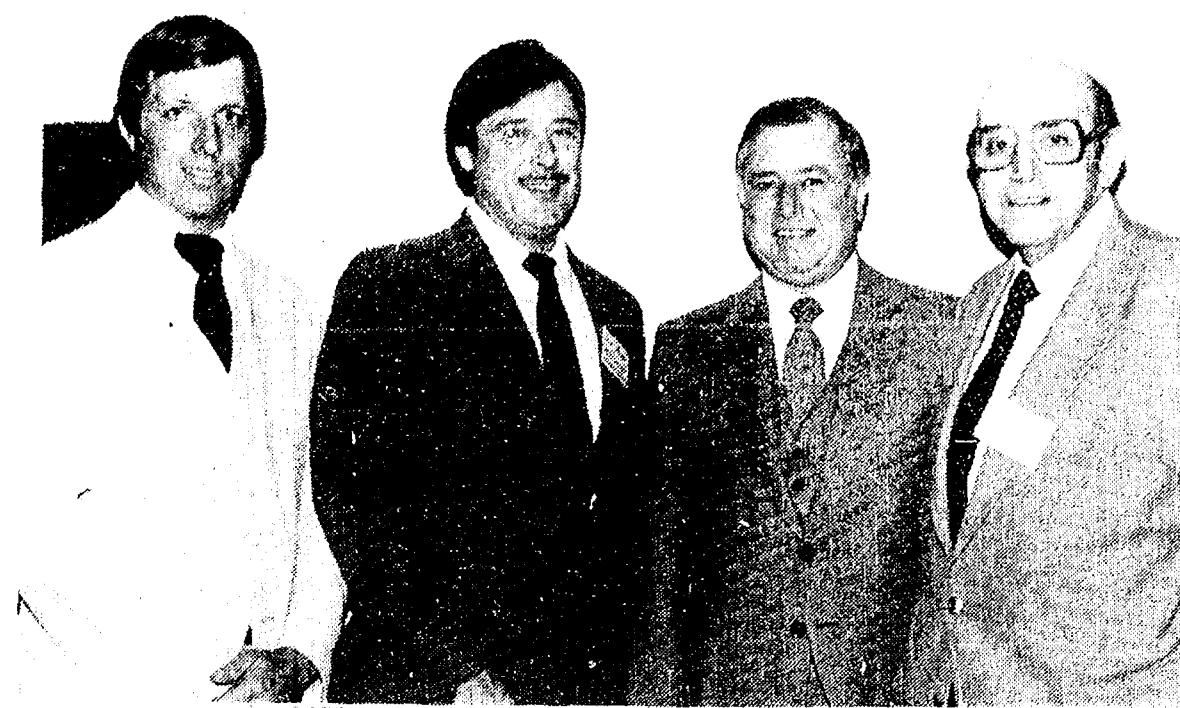

There will be a First Aid Station set up by the Frederic Township Fire Department, Ambulance Crew. There will also be free food and drinks available, and firemen and volunteers along the route to insure a safe ride.

If you can't ride, please help by sponsoring a rider. If you can't find a rider, call us, we will find one for you. Every little bit helps.

This is the Fire Department's first time for a Bike-A-Thon, please help us make it a successful one. Rain date for Bike-A-Thon is October 9th at 1 p.m.

Missing Link

Nautical archaeologists say a nearly 1,000-year-old shipwreck they are studying off the Turkish coast is a missing link between the ancient Greek and Roman vessels and the kinds of ships that centuries later allowed European powers to colonize half the known world.

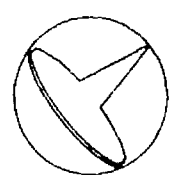

D.A.V. SERVICE OFFICER CONFERENCE—More than 500 persons attended the four-day Disabled American Veterans service officer conference last week at the Grayling Holiday Inn. Norman Hartnett, (second from right) national D.A.V. director of service officers, said the Michigan conference held at the Grayling Inn was the largest in the nation. At left is Dave Van Hill, regional service officer from Grayling, Butch Joeckel, deputy national director, (second from left), and at right is Jim Pelligrini, Michigan director. The conferences are held across the nation to train service officers and bring them up to date with new programs and legislation. One of the issues addressed at the Grayling conference was preventing the closing of Michigan V.A. facilities.

Meet The Candidates

Lawrence Reed, Republican candidate for U.S. Representative from the 10th district will be at the Chief Shoppenag Hotel on Monday, October 18, from 5 p.m. to 7 p.m. to meet and talk with the people in this area. Reed is running against Democratic candidate Don Albosta in the November election.

State House candidate Ralph Ostling from the 103rd district and Connie Binsfeld, Republican candidate for State Senate from the 36th district, will also be present.

Grayling Elementary School

On Thursday, Sept. 23, our class went to Kirtland Community College's Aviation Maintenance Program. First we met two men, Curt Barnes and John Kreggle. Then one part of the class went with John and the other half of the class went with Curt. I went with John. First we went to a metal cutter, saw it cut metal in half. Next we saw some propellers. Then we went outside and into an old plane. We went back into the garage. We climbed upstairs into a big old jet. The whole class got a change to get in the jet. Then we saw a little Italian plane. When it was shipped up they had to put it together piece by piece. It took them five years to rebuild it. And then we went back to the school. By Matt Spencer.

Observe 25th Anniversary

About 200 friends and relatives helped Ron and Barbara Larson celebrate their 25th wedding anniversary at an open house held in the Fellowship Hall at the Free Methodist Church on Sunday afternoon, Sept. 19.

Streamers of white and mint green criss-crossed the ceiling and met in the center from which hung a large wedding bell, the tables were covered with mint green and were decorated with crystal and silver candle holders and vases with red roses and baby's breath. Mint green was the color used at the time Ron and Barbara were married. Mrs. Ruth Fenton again made the wedding cake.

Their daughter Ronda, surprised her parents by appearing wearing her mothers wedding dress. Punch was served from a silver punch bowl, using the same recipe that was used 25 years ago.

Dawn (Hamblin) Meabon, from Pinckney, who was Barb's maid of honor, was able to attend, however Ron's best man, John Stephan, from Alaska, was unable to attend.

Out of town guests were from Gaylord, Dearborn Heights, Saline, Flint, Pinckney, Kalkaska, Higgins Lake, Oscoda and Norwalk, Ohio.

CARD OF THANKS

I would like to express my appreciation to Jim Gray, "Red" Wilcox and "Bun" Hatfield for their immediate response when called to my mother's aid.

J.V.'s Notch 2nd Shutout in a Row

The Grayling junior varsity football squad scored its second straight shutout last Thursday blanking Petoskey 22-0 at home.

The entire squad played in the game during a warm beautiful fall night.

Jon Nicholas started the scoring for Grayling with a 65-yard dash around the left side. A two-point conversion toss from Jeff Branch to Greg Burns gave Grayling an 8-0 lead.

Rod Patterson then took over for Grayling scoring two touchdowns and rushing for more than 150 yards. Coaches Chuck Spencer and Fred Wolcott said Lance Davis, Riley McNamara, Ron Wyman, and Scott Schwartz did an excellent job on

STATE PROPOSALS GENERAL ELECTION, NOVEMBER 2, 1982

PROPOSAL A—A PROPOSAL TO ALLOW THE LEGISLATURE TO PASS LAWS TO REFORM THEIR EXISTING CONSTITUTIONAL EXEMPTION FROM CIVIL ARREST AND PROCESS DURING LEGISLATIVE SESSIONS.

The Michigan Constitution now provides: "Senators and representatives shall be privileged from civil arrest and civil process during sessions of the legislature and for five days next before the commencement and after the termination thereof. They shall not be questioned in any other place for any speech in either house."

1. The proposed amendment would allow the legislature to pass laws to reform this exemption.

Should this amendment be adopted?

PROPOSAL B—A PROPOSAL TO CREATE BY CONSTITUTION A MICHIGAN DEPARTMENT OF STATE POLICE, PROVIDE FOR ITS PERSONNEL, PRESCRIBE ITS DUTIES AND REQUIRE MINIMUM STAFFING.

The proposed amendment would:

1. Change the Michigan Department of State Police from a department created by law to a department created by the constitution.
2. Make director of state police head of the Department.
3. Set out powers and duties of the department and its officers.
4. Permit reduction of enlisted personnel below the number employed as of April 1, 1980, only in the event of and in proportion to a decrease in the state's population.

Should this amendment be adopted?

PROPOSAL C—PROPOSAL TO PREVENT A LENDER FROM USING A "DUE-ON-SALE" CLAUSE TO FORECLOSE A MORTGAGE OR LAND CONTRACT WHEN THE PROPERTY IS SOLD, UNLESS SECURITY IS IMPAIRED.

The proposed law would:

1. Prohibit court foreclosure of mortgage or land contract when based on transfer of mortgagor's or buyer's interest; EXCEPT where transfer is proved to impair security interest.
2. If court foreclosure is based on "due-on-sale" clause and lender has not proved security impaired, then extend time to redeem property from 6 to 48 months.
3. Prohibit without exception foreclosure of mortgage by advertisement when based on transfer of mortgagor's interest.
4. Apply to existing and future mortgages and land contracts.

Should this law be adopted?

PROPOSAL D—PROPOSAL TO REQUIRE HEARINGS ON ALL UTILITY RATE INCREASES, ABOLISH RATE ADJUSTMENT CLAUSES AND ESTABLISH PROCEDURES IN RATE HEARINGS.

The proposed law would:

1. When rate increase is requested, require full and complete hearing on all costs of utility service, including fuel costs.
2. Abolish existing adjustment clauses that allow rate changes.
3. Allow only one rate increase hearing per utility at the same time, unless hearings are for different services provided by the utility.

Should the law be adopted?

PROPOSAL E—A PROPOSAL EXPRESSING THE PEOPLE'S DESIRE FOR A MUTUAL NUCLEAR WEAPONS FREEZE WITH THE SOVIET UNION AND REQUIRING STATE OFFICIALS TO CONVEY THAT DESIRE TO THE PRESIDENT OF THE UNITED STATES AND OTHER FEDERAL OFFICIALS.

The proposed law would:

1. Establish as a "finding and declaration" the danger of nuclear war and reduction of that danger by a mutual agreement between the USA and USSR to establish nuclear freeze.
2. Require House Clerk and Senate Secretary to send to President and other federal officials a communication urging:
 - a. The USA propose to USSR a mutual nuclear weapons freeze, both countries agreeing to halt the testing, production, and further deployment of all nuclear weapons, missiles, and delivery systems in a way that can be checked and verified by both.
 - b. Transfer of nuclear weapons funds to civilian use.

Should this law be adopted?

PROPOSAL G—A PROPOSAL FOR AN ELECTED PUBLIC SERVICE COMMISSION.

The proposed amendment would:

1. Establish a 5 member Public Service Commission to be elected for 4 year terms, with no more than 3 terms expiring at same time.
2. Provide that the Commission perform the duties currently assigned to the appointed Public Service Commission.
3. Require nomination of candidates for Commission to be by partisan political party convention and election of candidates to be on non-partisan portion of ballot.
4. Provide that each Commissioner to be elected shall appear on the ballot as a separate office.

Should this amendment be adopted?

PROPOSAL H—PROPOSAL TO PROHIBIT CERTAIN ADJUSTMENT CLAUSES; PROHIBIT RATE INCREASES WITHOUT PRIOR NOTICE AND HEARING; AND PROHIBIT STATE LEGISLATORS FROM ACCEPTING EMPLOYMENT WITH A UTILITY FOR TWO YEARS.

The proposed law would:

1. Prohibit certain adjustment clauses and provide that utilities may, upon request, recover reasonable and prudent costs of fuel, purchased gas or purchased electricity, only after "full and complete hearing" on such costs.
2. Permit separate hearings to be held on any change in cost of fuel or purchased gas at the same time as hearings on general rate case.
3. Prohibit members of the present legislature from working for any Michigan utility for two years after leaving legislative office.

Should the law be adopted?

Survey Shows Lack of Funds Hurts Co. Roads

A dramatic illustration of how lack of funds is contributing to deterioration of Michigan's primary county roads is revealed in a new survey just completed by the County Road Association of Michigan.

The survey shows the state's 83 county road commissions, faced with dwindling gas and weight tax revenues, have drastically cut back on resurfacing and basic maintenance programs.

"Severe reductions in recapping and sealcoating on Michigan's 25,980-mile county primary road system mean possible loss of our road bases," according to Earl F. Rogers, engineer-director of the County Road Association.

"Unfortunately, proliferation of potholes and cracked pavements produce added costs for motorists in terms of reduced gas mileage, greater tire wear, and damage to vehicles.

"Our study shows at least 1,350 miles of county primary blacktop roads should be recapped every year just to protect the surface, but lack of funds forced counties to limit recapping to only 522 miles in 1980 and just 256 miles in 1981. Without periodic recapping we risk loss of the surface and road base itself.

"Sealcoating, which protects roads from cracking and deteriorating, should be done on at least 2,550 miles of county primaries every year, but funds are so tight that road commissions could afford to treat only 1,130 miles in 1980 and 890 miles in 1981."

Primary roads are main county arteries over which millions of motorists travel daily to reach freeways or major county communities.

Rogers warned that unless more adequate funds for roads and streets are found

soon, the state will face a multi-million dollar cost to rebuild basic road bases.

Noting that the county share of state gas and weight taxes had decreased from \$243 million in 1979 to \$238 million in 1980 and \$217 million in 1981, Rogers said the funding crisis has been crippling to county road administration.

"In addition, lack of funds has caused reductions in equipment replacement and maintenance. Counties normally should spend \$28 million annually to keep truck fleets and machinery at standard operating levels but in 1980 they spent only \$21 million and that was cut further to just \$11 million in 1981."

Rogers noted that local county revenue sources, such as special assessments, township fund-matching, and county appropriations, have steadily increased in recent years but the limit has been reached in ability of local units to shoulder road maintenance costs.

State motor fuel and license plate revenues have shrunk for several years as motorists shifted to lighter, more fuel-efficient vehicles while at the same time costs of road construction and maintenance rose with inflation.

Rogers said the plight of county primary road upkeep is serious but even worse for county secondary roads which have been all but ignored due to fund shortages. Secondary roads serve subdivisions and rural areas, acting as feeders to the primary and state trunk-line systems.

The article above was furnished to the Avalanche by the Crawford County Road Commission, Grover Cason chairman; Gloria Kraus, Vice-Chairman; and Norman Parker, member and John Keir, Engineer.

Attend the Church of Your Choice

World Communion Sunday! and millions of Christians will be joining together to celebrate the Sacrament of the Lord's Supper.

In a way, the emphasis is on what we can do... and on what God does for us. The Bible is ours to read and learn from every day. But to most Christians the Lord's Supper is a wonderful mystery in which Our Lord comes to us with his forgiving, saving love.

With whatever emphasis of doctrine or reverence you view the Word and Sacrament, make this week at worship a very special event in your family's life. It is a time when we are reminded that the World is God's family.

La Leche League Meeting Notice

If you have considered breastfeeding your baby, but have questions about this womanly art, contact the Grayling-Roscommon La Leche League. This month's meeting, "The Art of Breastfeeding and Overcoming Difficulties," will be held on Thursday, October 7 at 7:30 p.m. at 810 Plum Street, Grayling.

La Leche League tells a simple story about a simple, natural function. Emphasizing the joys of breastfeeding, it is designed to encourage and inform mothers who desire to nurse their babies.

The meeting discussions include the latest medical research, as well as personal experience.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

Whitey:
Couldn't locate a Polaroid camera but thought you would be interested in a report of a barn raising. (Truthfully - it was a 28'x40' garage.)

A neighbor, came the day before, so the four sides were ready for the onslaught of workers.

Have you ever watched ants going and coming?

So it was with these busy workers. Those stacks of lumber, trusses and shingles were completely gone before 4 p.m.

And like ants they moved about without someone getting creamed.

How people, that had never worked together, managed to co-operate or coincide their movements is a mystery to me.

Wish you could have seen it.

Especially when the shingles were going on. There must have been a dozen or more on that roof. Men from 27 to 73 climbing, kneeling, nailing.

Isn't God Good?

He gave us a beautiful sunny day and a couple dozen wonderful friends and neighbors.

How can one just say "Thank You"?

And to the ladies that helped, furnishing food and labor.

A great big thank you to the people of Lovells.

John and Alice Campau P.S. I took some snaps - if they turn out I'll send you a couple.

P.P.S. Always enjoy "From Our Corner" and Wendell's "Doodles From The Tall Timber".

Thank You.

Thick Steak

If you're broiling steak, make sure it's at least one inch thick. You'll have a difficult time getting a medium-rare steak or any special degree of doneness with a thin steak.

St. Francis

Episcopal

Family Sunday Oct. 3rd

St. Francis Episcopal Church, one mile west on M-72 is having their first monthly family service. During this special service, Sunday School classes will be actively involved in the 10:30 Worship Service.

Additionally this Sunday, and the first Sunday of each month, there will be a family breakfast from 9:30 to 10:15. The menu is delicious and a donation of \$1.00 per person would be asked.

Following this special family service several varieties of homemade soup will be available to all for lunch at 11:45. Once again a donation of \$1.00 per person would be asked with all proceeds used to send our delegates to the Episcopal Convention in Detroit later this month.

Young & older alike, the families of St. Francis heartily welcome you to our very special family Sunday service. Please join us if you can.

Obituaries

Services Held For Altha Heric, 86

Altha M. Heric, 86, long time resident, died Monday, Sept. 27, 1982 at Mercy Hospital. Funeral services were held 11:00 a.m., Wednesday, Sept. 29, 1982 at St. Mary's Catholic Church with The Reverend William Rabior officiating.

A Rosary service was conducted Tuesday evening by Father William Rabior at Sorenson Funeral Home. Burial was in Elmwood Cemetery.

Mrs. Heric was born October 21, 1895 in Trufant, Michigan. She was a leather seamstress for Bear Archery, a member of St. Mary's Catholic Church, St. Mary's Altar Society, Mercy Hospital Auxiliary, R.S.V.P., and former member of the Grange. Mrs. Heric used to play the piano for silent movies at the Rialto and graduated from Grayling High School in 1913.

Survivors include her daughter, Mrs. Charles (Patricia) Duncan of Saginaw; brother, Milo Nielsen of East Tawas; three sisters, Laura Brownell of Flint, Helen Burcon of Florida, and Geraldine Hesselstweet of Florida; four grandchildren and six great grandchildren. She was preceded in death by her husband, William, in 1964.
